ABOUT
curve
A G E N C Y

Was Built On A Simple Truth: Growth Never Moves In A Straight Line We Help Brands Embrace That Bending, Adapting, And Flowing In Step With Their Audience To Deliver Innovative, Results-Driven Work Across Branding Digital Marketing Media Planning, And Beyond. Because Just Like A Curve, The Smartest Path Forward Isn't Always The Shortest One It's The One That Adjusts, Responds, And Keeps Moving That's How We Help Businesses Navigate Change, Strengthen Their Presence, And Drive Real, Lasting Growth.

MOODBOARD

Every Brand Starts Before The Logo
We Collected Small Moments Light Bending
Through Concrete, A Ribbon Settling Into Its
Own Shape, Ink Spreading Without Losing Form
Things That Don't Force Their Way Forward
But Find It. That Feeling Became Curve.

LOGO OVERVIEW

This Page Presents The Primary Approved Logo In Its Full Visual Weight. Serving As The Core Reference, It Captures The Overall Look Before Diving Into Technical Details Offering A Clear, Immediate Vision Of The Brand's Essence.

TONE OF VOICE

This Scale Guides How Every Message Should Feel Consistent, Deliberate, And True To How Curve Communicates

LOGO MEANING

TYPE

Custom Wordmark / Logotype

CONCEPT

Letter (**R**) Serves As The Dynamic Visual Anchor Its Fluid Curvature Reflects The Agency’s Name (**Curve**) And Embodies Flexibility, Adaptability, And Creative Innovation.

MIDDLE POSITIONING (VISUAL BALANCE)

Placing The Curve In The Center Establishes A Strong Visual Center Of Gravity, Harmoniously Bridging The Initial (**C, U**) And Final (**V, E**) Letter forms.
This Creates Perfect Visual Balance And Prevents The Mark From Feeling Lopsided

AVOIDING EDGE POSITIONING

Keeping The Modification Away From The Outer Edges Preserves Immediate Readability And Avoids Creating An Unbalanced, Unstable Frame.

ICON MARK

While Curve's Primary Identity Is A Wordmark The Dynamic R The Core Of The Logotype Can Stand Alone As A Compact Mark For Spaces Too Small For The Full Name App Icons Favicons, Social Profile Photos, And Other Confined Formats.

This Isn't A Separate Symbol. It's The Same Letterform, Extracted, Carrying The Identity's Meaning Even Without The Rest Of The Word Around It.

USAGE:

- App icons & favicons
- Social media profile images
- Small-scale digital placements where the full wordmark isn't legible

CONSTRUCTION GRID

The Logo Is Constructed Using A Precise Geometric Grid Based On Defined Unit (X).
All Proportions,Spacing, And Alignments Are Measured Consistently To Ensure Visual
Balance, Clarity, And Scalability Across All Applications.

CLEAR SPACE

The Clear Space Page Defines The Isolation Zone Surrounding The Logo From All Sides Based On A Specific Unit (X). Its Importance In The Guidelines Lies In Preventing Any Text Or Other Visual Elements From Interfering With The Logo, Ensuring Its Clarity, Visual Prominence, And Impact Across All Applications And Layouts.

TRADEMARK REGISTRATION

The Legally Protected Status Of The Curve Identity. It Outlines The Registered Brand Assets Name And Wordmark — To Secure Intellectual Property Rights And Enforce Legal Compliance.

PURPOSE: Protects brand assets and prevents unauthorized usage.

SOLID VS. KEYLINE

This Page Displays The Approved Keyline (OUTLINED) Version Of The Logo. Its Importance In The Guidelines Lies In Providing An Alternative Visual Treatment Based Solely On Outer Strokes, Reserved For Creative Applications Merchandise Engraving, And Premium Collateral To Ensure The Brand Appears Subtle And Premium Without The Solid Weight.

STROKE WEIGHT

Keyline version minimum stroke: 1.5pt (print) / 2px (digital)

MINIMUM SIZE

The Minimum Size Page Defines The Smallest Approved Dimensions For Scaling Down The Logo Across Digital Platforms (Pixels) And Print Applications (Millimeters). Its Importance In The Guidelines Lies In Preventing The Logo From Being Scaled Below Recommended Limits, Ensuring That The Symbol And Typography Details Remain Fully Legible And Clear Without Merging In Confined Spaces.

UNACCEPTABLE USAGE

This Page Illustrates The Incorrect Practices And Misuses That Must Be Avoided When Handling The Logo. Its Importance In The Guidelines Lies In Prohibiting Unauthorized Modifications, Such As Changing Approved Colors, Rotating The Mark, Distorting Original Proportions, Or Placing It Over Distracting Backgrounds, Ensuring The Integrity And Consistency Of The Brand Identity.

DO NOT PLACE LOGO AT AN ANGLE

DO NOT USE UNAPPROVED COLORS.

DO NOT CHANGE THE LOGO DIMENSIONS.

DO NOT CHANGE THE LOGO DIMENSIONS

DO NOT REMOVE ANY ELEMENTS

DO NOT ENCLOSE THE LOGO WITHIN A FRAME.

DO NOT USE THE LOGO ON CONFLICTING BACKGROUNDS

COLOR SYSTEM

Colors Are A Fundamental Element Of The Visual Identity; Their Consistent Use Enhances Distinctiveness And Brand Recognition. Any Unauthorized Alteration Or Usage Of Colors Outside The Approved System Is Considered A Distortion Of The Visual Identity Negatively Impacting Its Consistency And Strength Across Various Digital And Print Applications.
